

# WTA-ZERTIFIKAT

The International Association  
for Science and Technology of  
Building Maintenance and  
Monument Preservation  
(WTA) hereby certifies that  
the company

**SEMPRE Farby Sp. z.o.o**

submitted the results of the injection materials performance test in accordance with WTA recommendation 4-10 and that these results were reviewed by the WTA Inspection Committee. The performance test was carried out by an injection materials test institute recognized by the WTA.

The following injection material passed the performance test based on the application parameter described in the test certificate No.

No. M 2444

dated 30.01.2014

This material therefore complies with the requirements of WTA recommendation 4-10:

**RENOWATOR 190**

	Permission is hereby given to label the product with the service mark.	This certificate cannot be transferred to other injection materials.	Upon request, the period of validity may be extended in accordance with WTA recommendation 4-10
The certificate is valid until: <b>August 2024</b>
